# MU SEA UM

The Australian National Maritime Museum's stunning waterfront location on Sydney Harbour is ideal for both major and boutique events. With distinctive architectural design and views of the city skyline the museum has an exciting range of unique venue options to suit your needs.

With dynamic indoor-outdoor spaces clients can create one-of-a-kind experiences, from intimate 30 people gatherings to whole precinct events of more than 2,500.

Make a statement by hosting your next event on a stunning heritage vessel such as HMB *Endeavour*, on top of a de-commissioned Navy Destroyer or next to the 100-year-old *Cape Bowling Green Lighthouse*. Just a stone's throw from Sydney's CBD and International Convention Centre in Darling Harbour, it's the ideal location for entertaining.
